11.27 EMS 0180 - Paramedic Anatomy & Physiology - Course CCN Revision

Discussion: The committee discussed correcting to the title due to formatting standards and discouraging the use of the ampersand symbol. The Chair acknowledged a system character limitation and would confirm with the Curriculum/Scheduling Coordinator upon his return. However, the Chair tasked area representative committee members with returning proposals that utilize the ampersand symbol back to originators and communicate the committee's standards.
