- Tents are being set up today, and people are taking their time putting names on the flags. Good to see everyone in the office. Tim Isbell and Dean will be working with Student Advocate Ponce and guide her through what she needs to do. Later in the semester, council will be attending the SSCCC in Santa Clara and ASACC in the spring during the month of March. Hailey Reyes will be helping with our current President Romero. We have a few trustees, CNSA, UNIDOS, and the community will be helping out with the setup from the 5th – 7th. Board of Trustees meeting will be on September 8th, and we would like it if anybody would attend for a little while. Will be talking to President Romero for a little while about what else she would need to do. Would like for everyone to thank Angela Perdomo for what she does.
