

VICTOR VALLEY COLLEGE ASSOCIATE DEGREE GRADUATION REQUIREMENTS 2017-2018

Requirements for Graduation.....minimum 60 semester units

1. Complete 60 degree-applicable units (courses numbered 50 and above), not to include more than 4 units of physical activity (kinesiology).
2. Earn a cumulative GPA of 2.0 or higher in all degree-applicable units including all units from other colleges attended, if applicable.
3. Complete at least 12 units at Victor Valley College.
4. Complete appropriate units for the major, general education categories, and other graduation requirements including kinesiology, global citizenship, and information competency.
5. Courses may count in one area only, either the major or a general education category. However, a course that has been used in a major or general education category may also satisfy another graduation requirement (i.e. kinesiology, global citizenship, and information competency). Courses counted in one AA or AS major may not be counted in a second AA or AS major.
6. Have official transcripts from other colleges attended, military credit, and AP or CLEP scores sent to VVC. Students are responsible for furnishing official transcripts. Final evaluation and acceptance of transfer courses taken at other regionally accredited colleges will be determined by the Registrar's Office at the time the student's graduation application is evaluated. VVC may not accept credits from all institutions of higher education.
7. Apply for graduation before the deadline. Visit <http://www.vvc.edu/offices/admissions-records/graduation.shtml> for more information and forms.

To earn a second Associate Degree (AA or AS), the General Education courses remain the same, but you must complete an additional 18 units in the new major, paying attention to any specific requirements for that major.

To transfer to a university for a Bachelor's Degree, choose courses for your Associate's Degree that simultaneously satisfy your university's lower division requirements. To transfer to the University of California (UC) or to the California State University (CSU), you will most likely want to complete the Intersegmental General Education Transfer Curriculum (IGETC) or, for CSU only, the General Education Requirements for Transfer Certification (CSUGE), as part of your Associate's Degree. Visit the Transfer Center and www.assist.org for more information about preparing for transfer. Also, ask about the "Associate Degree for Transfer."
