

## **Dr. Prem Reddy School of Health Sciences Associate Degree Nursing Curriculum (ADN)**

Registered Nurses (RNs) are in great demand. Completion of a high school diploma or GED is recommended. The prerequisites for the Nursing Program can take two or more years to complete. The ADN Nursing Program itself takes two years. Many graduates go on to complete bachelor's and master's degrees in nursing or other medical fields. For help in planning your studies, please make an appointment to see the nursing counselor at (760) 245-4271, ext. 2296 or 2531.

**Application Information:** For specific selection criteria, refer to the Nursing Department webpage: <http://www.vvc.edu/academic/nursing/index.htm> LVNs may contact the Nursing Department for additional entry options. Students with criminal convictions should note that your ability to become licensed and practice as a nurse may be affected by your record. Contact the Nursing Department for more information.

**All courses, including prerequisites, must be completed with a "C" or better ("C-" is not acceptable).  
Total units required: 80 minimum (including nursing courses). Effective 1/1/12 No CLEP accepted.**

### **Preparation for the Nursing Program Prerequisites**

All science courses require laboratories.

- Biology 100 or 107 or 201 and
- Chemistry 100 or 201  
Prerequisites: Math 90 or 90S for Chem 100,  
Math 105 or 105H for Chem 201

### **Prerequisites to the Program**

Must be completed before applying to the Nursing program (5 units each)

- Biology 211, Human Anatomy
- Biology 221, General Microbiology
- Biology 231, Human Physiology

### **Nursing Clinical Core**

These courses are the nucleus of the Nursing program. Once you have applied to and have been accepted into the program, all of the following must be completed:

- Nursing 246 (3 units)  
Assessment and Nursing Skills
- Nursing 220 (2 units)  
Pharmacology and Nursing Management
- Nursing 221 (10 units)  
Nursing Process 1
- Nursing 222 (9 units)  
Nursing Process 2
- Nursing 223 (9 units)  
Nursing Process 3
- Nursing 224 (9 units)  
Nursing Process 4

Transcripts from other institutions will be evaluated for course equivalencies. Additional units might be required to meet the 80 unit minimum. If English 101.0 was not completed at VVC, a competency test in the VVC library will be required for graduation.

### **General Education Requirements for the Associate's Degree**

#### **Group A** – All of the following:

- English 101.0, H101 (4)       Psychology 110 (3)
- Psychology 101 (3)       Sociology 101 (3)  
(SOC 101 meets Global Citizenship graduation requirement)

#### **Group B** – Communication (min. 3 sem units)

##### **Choose one:**

CMST 106, 107, 108, 109

#### **Group C** – Mathematics (min. 3 semester units)

##### **Choose one:**

MATH 90, 90S, 104, 105, H105, 116, 120, H120, 120S, 132, 226, 226H, 227, 227H, 228, 228H, 231, 270; **PSYC** 215

#### **Group D** – Humanities (min. 3 semester units)

##### **Choose one:**

**ANTH** 106; **ART** 101, 102, 104, 105, 106, 107, 108, 109, 112, 113, 114, 120, 122, 125, 150; **CART** 133; **CMST** 105 (Intercultural); **ENGL** 102, H102, 109, 116\*, 220, 225, 230, 231, 232, 233, 234, 235, 240, 241, 245, 246, 247; **HIST** 103, 104, 115, 117, H117, 118, H118, 130, 131, 155; **KIN** 103; **MUSC** 100, 101, 102, 103, 116, 117, 118, 202; **PHIL** 101, 108, 114\*, 117\*, 120, 121; **POLS** 114\*; **RLST** 101, 105, 106, 110, 111, 115, 117\*; **TA** 101, 102, 104, 107, 110, 116\*

**Languages:** **ASL** 122, 123, 124, 125; **FREN** 101, 102, 103, 104; **SPAN** 101, 101A, 101B, 102, 103, 104

#### **Group E** – Kinesiology (PE) (min. 1 sem unit)

##### **Choose one:**

Any APE/KIN/KIND course of 1 unit or more OR HLTH 102 will satisfy this requirement.

#### **American Institutions** (min. 3 semester units)

##### **Choose one:**

HIST115, 117, H117, 118, H118; 155;  
POLS 102, 102H, 103

\*Cross-listed courses are the same course listed under different departments:  
ENGL 116 = TA 116; PHIL 114 = POLS 114; PHIL 117 = RLST 117

**VICTOR VALLEY COLLEGE NURSING PROGRAM**  
**Overview of the New Admissions Process**  
**Implementation of Updated Point System Starts Spring 2018**

*Assuming 110\* students apply, and 90 meet the minimum qualifications, the process works as follows:*

**Minimum Qualifications**

- All required coursework completed (both general ed and sciences)
- Maximum of two withdrawals or incompletes in Anatomy, Micro and Physio
- Anatomy, Micro and Physio completed within 5 years of applying to the program
- No grades lower than a C (“C-“ not accepted)

The 55 qualified applicants with the most points (see back of sheet) will advance to either take the TEAS exam if they have not already done so OR to the random draw for placement if they have already passed the TEAS at another college and submitted their scores by the deadline (see below). Those not in the 55 will need to reapply during a future application period.

**TEAS Test**

- Prior to applying, applicants may take the TEAS at their own expense at another college. *For information on how to register for the TEAS, visit [ATITESTING.com](http://ATITESTING.com), create an account, and go to the STORE for registration details. Test results must be sent directly to the VVC Nursing Department by ATITESTING and must arrive no later than the last day of the application period.*
- Let’s estimate that 45 students out of the 55 selected need to take the TEAS and 35 pass it on their first attempt. The 10 applicants who did not pass it should remediate, then retake the TEAS at their own expense and reapply in a future application period.
- Let’s estimate that 10 in that group of 55 passed the TEAS at another college and submitted their scores to the VVC Nursing Department by the deadline as stated above.

**Applicant Selection**

The pool of qualified applicants would now include the 35 who passed the TEAS on their first attempt at VVC, plus the 10 who passed it at another college. Those 45 are then placed in a *random draw* for their starting date, which is based on the waiting list in existence at that time.

\*The numbers used in this example do not reflect actual numbers, which vary each application period.

**VICTOR VALLEY COLLEGE NURSING PROGRAM**  
**Overview of the Updated Point System**  
 Implementation Starts Spring 2018

This is just a summary. For a complete look at the Point System, please visit  
[http://www.vvc.edu/academic/nursing/VVC\\_ENROLLMENT\\_PROCESS\\_18.pdf](http://www.vvc.edu/academic/nursing/VVC_ENROLLMENT_PROCESS_18.pdf)

Criteria	Possible Points	Point Distribution
<b>Degrees or certificates completed – current licensure</b>	15	<b>(one category only)</b> *BA/BS: 15 points #LVN/Paramedic/RT/Psych Tech: 15 points *AA or AS: 10 points *CNA/EMT: 5 points
<b>GPA in relevant coursework</b>	50	<b>Anatomy, Physiology, Microbiology</b> 4.0: 25 points 3.50-3.99: 20 points 3.00-3.49: 15 points 2.50: 5 points  <b>English Composition and Intermediate Algebra or higher math course</b> 4.0: 25 points 3.50-3.99: 20 points 3.00-3.49: 10 points 2.50: 5 points
<b>Letter about life experiences or special circumstances – disabilities, low income, veteran, refugee, first generation college, difficult personal family situations, disadvantaged social or educational environment or other.</b>	5	All 5 points granted if meets criteria – letter must be typed, 12 font, double-spaced, minimum length is 1 ½ pages
<b>Advanced coursework in a language other than English</b>	5	All 5 points granted if completion of the third or fourth semester of a college-level foreign language course with a “B” or better
<b>Courses taken at VVC or Barstow College – Only one course in areas showing “Choose one” will be used.</b>	25	All 25 points if at least 15 units of required coursework in the prerequisite sciences and general education were taken at VVC or BCC (not including Biol 100, 107, 201 or Chem 100, 201)

\*Degree must have been awarded and official transcript showing the degree is required.

## Bachelor of Science in Nursing (B.S.N.) Program Prerequisites

Requirements are shown for nearby programs, using VVC's course numbers for comparison. Information is subject to change, so please verify these requirements with the school of your choice. Note that completing the prerequisites for any of these programs typically enables you to earn VVC's A.S. degree with a major in Math/Science, on your way to your Nursing degree.
