Dear President Silverman:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 7-9, 2009, reviewed the Focused Midterm Report submitted by the college and the report of the evaluation team which visited on Wednesday, November 5, 2008. The Commission took action to accept the Focused Midterm Report, and **remove the college from Warning**. The Commission also acted to remove the requirement imposed in June 2008 that the college submit another report in March 2009; the institution has addressed fully the Commission's concerns and the team recommendations that led to warning status.

I have previously sent you a copy of the evaluation team report. The Commission requires you to give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to the public. Placing copies in the college library can accomplish this. Should you want the report electronically to place on your web site or for some other purpose, please contact Commission staff. The Focused Midterm Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation.

Please note that the next comprehensive evaluation of Victor Valley College will occur during **Spring 2011**.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Barbara A. Beno, Ph.D.
President
