

**Associated Student Body
Victor Valley College**

- ☑ **Internships:**
The Associated Student Body requests that the Interim Executive Vice President of Instruction and Student Learning partner with community organizations to generate and increase internships, which promote student professionalism and career development.
- ☑ **Grants and Bonds:**
We strongly encourage the Superintendent/President to allocate resources necessary to acquire grants that will enhance student opportunities.
- ☑ **Accreditation:**
Understanding our Accreditation status, the VVC Associated Student Body Council will work to achieve and cultivate a campus environment of empowerment, innovation, and institutional excellence by creating a culture of respect, civility, dialogue, and trust.
- ☑ **ASACC College of the Year:**
The Associated Student Body Council will take steps to recapture the honor of ASACC College of the Year.
- ☑ **Health Center:**
The Associated Student Body Council requests the support of the Superintendent/President in conducting a feasibility study to reintroduce the VVC Student Health Center.
- ☑ **ASB Card Sales:**
The Associated Student Body will increase ASB card sales to generate revenue, which enriches the student experience.
- ☑ **BP2015:**
The Associated Student Body requests the Board of Trustees implement Board Policy 2015.
- ☑ **Science Labs:**
Being aware of the extraordinarily high demand for Science classes, the VVC ASB strongly urges the President's Cabinet to address the lack of class availability, insufficient space, and lab materials.
- ☑ **Independent Age:**
Our Associated Student Body will advocate nationally lowering the independent age for federal financial aid through the combined lobbying efforts of community colleges.
- ☑ **Board Presentations:**
The Associated Student Body Council is in full support of the Superintendent/President ensuring that student body presentations available at every Board of Trustees meeting.
- ☑ **Campus Cleanup:**
To continue the process of campus beautification and to promote sustainable practices, the ASB Council will facilitate student club service projects.
