

2012-2013 Victor Valley College Associated Student Body Goals

Each year our eighteen elected student council members commit themselves to represent student interests at VVC. We are proud to announce our Goals & Objectives for 2012-2013 which we feel will enhance the Student Experience at Victor Valley College.

Through the support of the faculty, staff, and administration, past Associated Student Body Councils have achieved many goals and paved the way for the current council to continue on their road to success.

While completion of our personal educational goals are of primary concern, we desire to maintain, foster and further a stronger sense of pride in the cultural, political, and academic achievements of the VVC Community.

The 2012 -2013 V.V.C. Associated Student Body's road map follows eleven major goals and objectives.
