Chapter 2

**Board Self-Evaluation**

**2745**

The Board is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board has established the following processes:

- A committee of the Board shall be appointed in April to determine the instrument or process to be used in Board self-evaluation. Any evaluation instrument shall incorporate criteria contained in these Board policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field.
- The process for evaluation shall be recommended to and approved by the Board.
- If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit them to the Board President.
- A summary of the evaluations will be presented and discussed at a Board session scheduled for that purpose. The results will be used to identify accomplishments in the past year and goals for the following year.
