ARTICLE 3. PROGRAM REQUIREMENTS FOR PARAMEDIC TRAINING PROGRAMS

§ 100150. Teaching Staff.

(g) Each training program shall have a hospital clinical preceptor(s) who shall:

(1) Be a physician, registered nurse or physician assistant currently licensed in the State of California.

(2) Have worked in emergency medical care for the last two (2) years.

(3) Be under the supervision of a principal instructor, the course director, and/or the program medical director.

(4) Receive instruction in evaluating paramedic students in the clinical setting. Means of instruction may include, but need not be limited to, educational brochures, orientation, training programs, or training videos, and shall include how to do the following in cooperation with the paramedic training program:

(A) Evaluate a student's ability to safely administer medications and perform assessments.

(B) Document a student's performance.

(C) Review clinical preceptor requirements contained in this Chapter.

(D) Assess student behaviors using cognitive, psychomotor, and affective domains.

(E) Create a positive and supportive learning environment.

(F) Identify appropriate student progress.

(G) Counsel the student who is not progressing.

(H) Provide guidance and applicable procedures for dealing with an injured student or student who has had an exposure to illness, communicable disease or hazardous material.
