Online Readiness Survey

An online readiness instrument is currently located under the Blackboard tab at <http://www.vvc.edu/schedule/online/online-classes-readiness-survey.shtml>. The items are available in pdf format at <http://www.vvc.edu/offices/faculty-services/faculty-senate/Online%20Assessment%20Student%20Readiness%2006042009.pdf>

We are proposing that students take this survey as part of their initial Assessment. Scores would provide baseline data that could be used to inform future action steps.

Future actions could include improving student online success through:

- Assessing instrument validity / predictive accuracy
- Directing students to additional support / training modules

This is presented for information and to document steps in an ongoing conversation
