**5. ACTION ITEMS
NON-COURSE ACTION ITEMS:**

5.1 Overarching PLO's

It was MSU (J. Stahlke/R. Cerreto, 7-0) to approve changes made to previously approved document

Discussion

The overarching PLO's have been previously brought to the committee, there are a few changes, that have been made and the changes are in red.

5.2 Generic student learning outcome for all dance classes in KIND and TA

It was MSU (R. Cerreto/P. Golder, 9-0) to approve new student learning outcome

"Demonstrate the essential elements of each skill and/or sequence by performing student's choice of dance moves, from the dances taught in the current class, to music for 20 seconds or longer."

Discussion

In the dance classes they have A, B, C and sometimes D, when these courses were written there was a consensus that SLO's needed to be different for every class. These courses are offered at the same time with the same teacher. Having one SLO for all classes makes it easier to assess with plenty of numbers.
