**Re: Welcoming New Participating Agency**

Dear Mr. Walden:

The State Controller's Office (SCO) received the Board of Trustee's Resolution No. 19.06 and 9.07, dated June 11, 2019, electing to become a participating member of the California Uniform Public Construction Cost Accounting Act (Act) pursuant to Public Contract Code (PCC) section 22030. The California Uniform Construction Cost Accounting Commission (Commission) is very pleased to welcome you as a new member.

The Commission, created by PCC 22010 in 1983, is the governing body for the Act. Comprised of fourteen members, the Commission works to ensure the equitable application of the Act. One member is appointed by the State Contractors' License Board and thirteen members are appointed by the Controller. Seven members represent public agencies: cities, counties, school districts, and special districts. Six members represent professional services: contractors, subcontractors, and laborers.

The Commission is responsible for developing uniform public construction cost accounting policies and procedures. Force account and bidding rules are periodically reviewed by working with the legislature, participating agencies, laborers, and contractors to adapt the Act to evolving industry standards. Compliance and cost accounting reviews are conducted by the Commission with independent accounting consultants as necessary. In addition, the Commission conducts meetings open to the public and maintains the Commission's webpage on the SCO web site.

As a participating member of the Act, there are many advantages, including expedited bid processes and increased bid limits. Agencies joining the Act mid-year or having a fiscal year other than a calendar year should advertise for their contractors' list as soon as practical.
