Called to order 3:33pm

Thank you to Richard Cerreto and Michael Butros for their hard work and years of service to the Curriculum Committee.

Additions and Revisions to the Agenda

Special Guest Speaker: Dr. Tim Johnston, Director of Evening Operations, night time administrator and coordinator of Advanced Technology Center, reviewed student services including tutoring, Writing Center, Math Lab, Basic Skills Lab. Pat Wagner shared information on services provided by Writing Center for faculty (referrals) and students. Tutoring program depends on faculty recommendations. Current issues at the ATC: academic freedom, access to blocked sites (MySpace, Facebook, YouTube, etc.) has been lifted; requested a resolution from Academic Senate to ensure these rights are not impeded by IT. Other issues: pay to print; function of the building, especially the mall area. Room 162 is open for adjunct faculty for computer and printing services.
