**REMINDER:**

Please join us in celebration of Black History Month at the Student Activities Center (SAC) upper level on Wednesday February 24, 2010 from 11:00 am to 12:00 noon.

Our featured guest speaker is Dr. Minnie Andrews, Professor Emeritus at Northern Arizona University. Dr. Andrews will address her perceptions and involvement while living through historical events and current events that are likely to be recorded as historical, and the possibilities for future chronicled history.

Faculty: Please feel free to bring your class to this special event!

The Black History Month Committee looks forward to seeing you there.
